ESTABLISHED 1860

VOLUME NUMBER 97

CAMERON, MILAM COUNTY, TEXAS. THURSDAY June 21, 1956

NUMBER 12

**CAMERON'S CALABOOSE**, vintage of the nineteenth century, shown here is now the temporary home for a couple of law violators.

The old edifice, at the rear of the police and fire station, has been used since the late twenties as a storage room. It was cleaned out to accommodate prisoners picked up by City Police after it was found that duplicate authority over city prisoners housed in the Milam County Jail was incompatible.

Chief Dolan had seen John Henry, "Bozo" Lewis incarcerated in the county bastion before he left for a one week course of study in Austin. When he returned he ran up on his prisoner on the street. The prisoner hailed him, he said, and sought to "Pass the time of day."

Upon investigation the chief found that the prisoner, in company with a county trustee, had been made a trusty by the Sheriff's Department, without knowledge of the Police Department or any other department of the city.

It had been the practice of long standing with the Sheriff's Department making most of the arrests within the city.

It was the unanimous decision of council to revive the ancient edifice, shown here, for keeping its own prisoners. The thought of the police department was that prisoners could be fed for less than \$1.00 per day which has been paid to the county for keeping its prisoners thus showing a saving to the city.

Sheriff Black declared in a telephone interview, with a reporter for the Waco papers that "In the event the city calaboose became overcrowded that the county jail is still open for city use." He had no further comment.

By action of City Council Tuesday night the jail will be painted on the inside and the windows screened against flies. Sanitary facilities have been put into both cells.

Chief Dolan indicated that it is not the intention of the city however to make a "Nice place to stay" out of the "Calaboose." On the other hand, said Councilman Brady, we want our facilities to discourage the thought of laying out a fine in jail being preferable to paying a fine or keeping out of trouble. "We have consistently impressed the police department that they are not to try to get the largest amount of fines but to discourage violations," said the chairman of the police committee Brady.

## Girl's Softball Program Finding Hot Competition

The girls softball program for the summer is under way. Each Tuesday and Thursday at 7:30 the Indians and Dodgers continue their rivalry for the championship title which will be awarded at the end of the recreational program. Any new comers are welcomed to join in the program. At the present there are only two teams participating, but a third team would make the competition more exciting.

Members of the Indian team are: Patsy Titworth, Kay Pemberton, Louise Thompson, Kay Bridges, Jolene Wied, Jane Wied, Catherine Absnaider, Jane Monroe, Cookie Slavik, Carol Ann Wilson, and Cathy Schofield.

The Dodgers team consists of: Gloria Lane, Barbara Schattle, Linda Kirk, Annette Fuqua, Irene Buchanan, Mary Buchanan, Betty Cadel, Linda Miller, Barbara Woodum and Carol Ann Shuffield. The Indians lead the pennant: First game Indians 21-Dodgers 18. The second game Indians 10, Dodgers 10.

Miss Anne Hinyard said "We owe our appreciation to Mrs. Bridges, Mrs. Mees, Mrs. Schattle and Mrs. Fuqua for their interest and assistance in the Softball program."

### "PARTYING" UP

Two extra minutes before leaving for a party will give you the confidence of good grooming that is so necessary to guarantee a really good time. How do you spend them? By giving a last touch-up with a comb, a couple of drops of eye lotion, to rest the eyes, and a last quick check on the condition of your lipstick and mascara.

## States Rights Issues On Texas Ballot, First Time In 24 Years

By Verne Sanford, T.P.A.  
Next month, for the first time in 24 years, many Texans will be asked to vote - not only on men - but directly on issues.

State Democratic Executive Committee members have approved the placing of three questions on the primary ballot. Voters can express their desires for or against:

1. Legislation exempting a child from compulsory attendance

**Liberty Cemetery Association Plans Homecoming July 1**

The Liberty Cemetery Association annual homecoming is being planned for the first Sunday which is the first day in July.

Basket lunches will be brought by the families attending. Everyone is welcome.

## Juvenile Problem Discussed Before Bryan Brotherhood

Bob Nelson of Cameron made a talk on Monday night before the Brotherhood of the Emanuel Baptist Church of Bryan on the subject "Juvenile Delinquency and Parental Delinquency which". The talk was on Monday night, June 18.

Visiting in the home of Mr. and Mrs. Jerry Matula, Sunday, were Mr. and Mrs. L. R. Martin and son of Houston.

at integrated schools.  
2. Legislation "perfecting" laws against intermarriage of Negroes and whites.

3. Use of interposition to halt federal encroachment on states rights.

Majority approval presumably would constitute a mandate for action by the next legislature.

Historically, such voter referendums seldom have been used. And not too successfully. Present procedures, still substantially unchanged, were set up with the passage of the Terrell Election Laws in 1907.

In the nearly 50 years since then, referendums were held only three times. And failed to pass twice. In 1908 a prohibition proposal was voted down more than two to one. In 1919 the people rejected three to one a proposal to call a constitutional convention.

But, in 1932 Texans voted overwhelmingly in favor of repealing the federal prohibition amendment. A year later the legislature followed suit and ratified the repeal amendment.

This was the last referendum submitted until this year.

## Paralytic Polio Strikes Four Year Old In Rockdale

One case of paralytic poliomyelitis, affecting a four year old colored girl in Rockdale was reported last week to top the list of reportable diseases in the county.

Three cases of virus pneumonia, and 25 of measles followed in order.

# Free Garbage - Trash Pickup On Schedule For Cooperators Only

Free garbage and trash pickup in Cameron has now gone on schedule. The city is divided into five districts and free pickup is made in the same day of the five day week at all homes, according to W. D. Bigbee.

Tuesday night's session of City Council authorized the Sanitary Department to pick up ONLY the garbage placed in the ten to thirty gallon containers placed within easy reach. Trash only when bundled and placed alongside the can. If the citizens have any doubt about the proper place will be appraised of it by the place the empty cans are placed after the pickup.

Garbage and trash not placed properly for pickup will be picked up upon "Special request" to the city hall and charged for at the rate of \$1.00 per pickup, payable

to the driver at the time of the pickup.

The regular once weekly pickup remains FREE it was stressed.

The second fire truck driver in the future will be under the police department and will have four duty nights per week for relief of police who need one night off per week. A salary adjustment will be recommended by the Police Chief at the next meeting of the Council. The emergency driver now receives \$145 per month.

Two short lengths of fire hose were ordered bought and the purchase of 200 ft. of one and a half inch hose was deferred until the October budget is made out by the city. Fire Chief Carl Black noted in his request for hose that the long hose is not absolutely necessary at this time.

The Planning Commission is to

be advised by letter of an organizational meeting set up for June 26.

In other action the City Engineer was ordered to make necessary surveys and prepare plans and estimates to extend water and sewer mains to the sites of the housing authority of the City

of Cameron.  
Notice was delivered to Mayor Weems and City Secretary Wayne Wieser at close of business Tuesday, that Miss Wilma Holloway, assistant secretary, will be leaving city service as soon as she can be replaced to accept employment in Houston.

## Pint Sized Bowlers, Golfers Team Up For Recreation; Fun

26 youngsters were organized in to a bowling league on Wednesday June 13 with Mrs. Jodie Pernice and Mrs. Ann Schattle in charge. A few more are needed to fill out the teams the ladies said.

Both the bowling and the miniature golf, played at the Knights of Columbus facilities are necessarily charged for at HALF PRICE. The boys and girls playing either of the two games are asked to bring 20 cents per line for their bowling and 15 cents per game of MINIATURE GOLF.

Miniature golf, played on the new K Of C course for both the boys and girls was begun on Monday, June 11. It is played each Monday afternoon.

REAL GOLF is taught at the Country Club at 9 a.m. each Wednesday by Mrs. Charles Burke

and Mrs. Ed Manning. Each golfer must bring his own clubs and balls but the instruction and greens are FREE. This activity is also mixed. Both the boys and girls are urged to participate.

## County Court Hears Group On Yarrellton Road

A proposed farm-market road from Cameron to Yarrellton via Marak would be the most expensive and the most difficult to build County Judge Charlie Smith told a gathering of thirty nine Milam citizens as they petitioned Commissioners Court Thursday for consideration of that road.

E. A. Perrin, bearing a petition with 147 signatures affixed by "All the citizens in the affected area," Perrin pointed out that ten years ago the good roads committee of the Chamber of Commerce and the Commissioners Court invited the citizens of the area to meet but that no agreement could be reached. But at this time the initiative is coming from the people along the combined school and postal route to See County Court - Back Page

Upon motion of Councilman Thompson inquiry will be begun to find out steps necessary in securing Civil Defense aid in acquiring a police radio set-up. Thompson stated that the "red-tape" will take some time and by the time it is all worked out that the city may be in a position to buy the equipment. He felt also that a receiver could be put on the water truck to give better service and also serve as an auxiliary equipment in case of disaster. Councilman Roy Griffith was made Mayor Pro - Tem for the fourth time since he has been in city service.

A move to validate the salaries of councilmen was tabled. The salaries must, because of the charter, now be validated before payments can be legally made.

City Judge Roy Baskin was voted a salary payment of \$100 for the month of May.

In other action the speed limits around the public schools was ratified. The signs already have been delivered and will be erected before the opening of schools. They will designate the speed zone of twenty miles per hour.

A Magnolia Petroleum Company representative was present and negotiations were opened with Glass the Florist for property now occupied by greenhouses to be traded to the Oil Company to offset the loss of frontage to be taken by the highway 36 right of way.

## Delores Bartlett Of Sharp Tracy Area Injured

Miss Delores Bartlett of the Sharp-Tracy community suffered a head injury Tuesday morning when the car in which she and four other girls were riding collided "almost headon" with a car driven by an Austin woman in Rockdale.

The girls had attended an early morning session of the Rockdale Christian Youth Roundup, District 10, and were on their way to a drug store when the accident occurred in the west-end shopping center in Rockdale.

Miss Bartlett was administered oxygen at Richard's Clinic and Hospital before being transferred to Scott and White Memorial Hospitals in Temple. Hospital officials said Tuesday night that she was still under observation and the full extent of her injuries could not be determined as yet.

The other four girls escaped with minor injuries. Mrs. Annette Epperson, of Austin, was treated for possible leg fracture and arm lacerations in an Austin hospital.

Miss Harris, driver of the car in which the girls were riding was attempting to turn off U. S. Highway 79 when her car and the one driven by Mrs. Epperson, who was alone, collided.

Rockdale police investigated the accident and no charges have been filed.

## Cattleman, Author J. Evetts Haley In Governor's Race

J. Evetts Haley, candidate for Governor of Texas, who was in Cameron on Friday, claimed that professional politicians are not telling the people how state authority can stop the Federal Government's destruction of their freedom and their race.

## 2,500 Crowd Western Auto Store In Cameron For Grand Opening

Western Auto Store, operated in Cameron by Albert A. Hajovsky (Hi-Yosky), entertained 2,500 people over the past weekend at the formal opening of the store since the new owner and operator took over the store.

A beautiful display of cut flowers decorated the store as mementoes from well-wishers.

The well stocked store was thoroughly examined by the many in attendance.

Everyone in attendance was given a gift and the winners of the three cash prizes were Frincine Juergens of Route 1, Burlington who won \$25 as her name was

drawn from those who registered. Mrs. C. C. Schrank of Buckholts won the second prize of \$15 and Mrs. Harold G. Kornegay of Milam took the third prize of ten dollars. These people merely signed the register and had nothing to buy.

## Episcopalians Plan Regular Friday Evening Youth Programs

Weekend recreation for the young set in Cameron will take an upturn with the inauguration of regular Friday evening, chaperoned affairs sponsored by All Saints Episcopal Church in its parish hall.

Since the affair will not conflict with any of the summer recreation program for the age boys and girls who will want to attend an especial point is made that the fellowship of the boys and girls from other churches are cordially invited to attend. Music will be recorded.

Parents, not only of the Episcopal Church will chaperone but

parents of youngsters attending from outside Episcopal congregation will be asked to assist in chaperoning the regular fellow ship program.

A youth committee is in charge of the program and the publicity. They make a point that refreshments will be soft-drinks sold on the honor system.

## Farm Bureau Family Night In Park Tonight

The Milam County Farm Bureau will begin its family night at 7:30 p.m. tonight, Thursday, June 21, in city park Cameron.

Baskets will be brought by the families and drinks, plates and bread will be furnished by the Bureau, Miss Lenora Bickett, secretary said.

Games for all members and their families present will be held following the meal.

This is declared to be an important meeting and all members are urged to bring their families.

## Herald Prints Demo Ballots For Money; Office Space For Free

The Milam County Democratic Executive Committee in its Monday night meeting awarded the printing of the ballots for the coming July and August Primaries to the Cameron Herald Publishing Company.

The committee felt that since the Cameron Herald in years past had offered the committee an office without charge, it was only fair and justifiable to award them the job.

L. A. Petty of Sharp was named by the committee to deliver the election supplies as in 1954. This motion was made by DeWitt Kornegay and seconded by H. B. Pressley.

Absentee voting will begin July 9 and will continue through July 25.

**Today's Text:** Whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.—Verse 17.

Help us, O God, to honor thee in all we do. Amen.

## Lots Drawn For Places On Milam Ballot Monday

Milam County Democratic Executive Committee met Monday night, June 18 at the District Courtroom for business relative to the coming July and August primaries.

Drawing by lot for place on the ballot, as set by the Texas Election Laws was one of the main events on the agenda.

The ballot committee composed of Irvin Vogelsang, Bennard Barber and George Leath, Sr., had charge of the drawing of the candidates names.

State candidates names were drawn first and will appear on the ballot in the following order: For Governor: Ralph Yarborough, J. Evetts Haley, Price Daniel, J. J. Holmes, W. Lee O'Daniel, and Ruben Senterfitt. For Lt. Governor: C. T. Johnson, Ben Ramsey, A. M. Aikin, Jr., and John Lee Smith. For Attorney General: See Lots Drawn - Back Page

## Cameron School Board To Meet Twice Monthly; Hires Audit Firm

On an estimate of \$400 to \$700 the firm of Yarbrough, Barge, Vance Temple Certified Public Accounting firm was hired to complete an audit for the school system by September 1.

The board again expects to ask the Milam County School Board to consolidate Yarrellton with the Cameron Independent School District. And in lieu of that to determine what a fair charge would be for transfers following communication with the Texas Education Agency.

C. L. Sadberry was re-elected principal of O. J. Thomas for a thirteenth year along with eleven teachers. Austin Restaurant Supply Company, with a bid of \$6,477, sold cafeteria equipment to the Cameron School Board at its Thursday-Friday session of June 14-15, adjourning at 2:05 a.m. Friday.

Cameron Saddle Club was granted use of Yoe Stadium for a horse show during the third week in July. Dr. E. O. Smith, in communication with the board was granted use of the Yoe Auditorium on June 28 for the organization of a Milam County Chapter of the Cancer Society.

A bid of Rube Johnson for repairs on refinishing chairs for the school system was accepted.

Two new science units for O. J. Thomas, factory made, were ordered put out for bids.

On motion of Colburn and seconded by Howard a tax structure of fifty cents to go into the sinking fund for bond retirement and \$1.00 for operation and maintenance was set up. Shapiro opposed the motion.

An equalization board was called for and names were suggest-

ed to be contacted by letter.

An expense account of sixty dollars was granted to Band Director Cox to be used as he sees fit, in behalf of his annual baton twirlers school. The money to come from the activity fund.

A \$196.60 supply bill for summer athletic equipment, half of which is to be paid by the school board was okayed.

Extermination of vermin in the cafeterias during the recess was ordered.

Finally, after members had started departing the meeting, and with a bare quorum remaining it was voted to convene twice See School Board - Back Page

## Bo Peeps

By James E. "Bo" Patterson  
I just want to re-tell a little "story" I first heard as a boy. Johnny: "Gimme two-bits to go the show if you want me to be good"

Mother: "Johnny, why don't you be like your daddy and be GOOD for NOTHING?"

Last week this little story was used for a double purpose, using the name of FIRE CHIEF Carl Black. That story was used 1. To point out that Carl Black is a GOOD FIRE CHIEF and 2. That he is UNPAID. It accomplished both those aims with many people who were unaware that the Fire Chief was a member of the VOLUNTEER department and not the PAID or professional department. It was misunderstood in some quarters and without apologies for an intended COMPLIMENT it is explained, we hope satisfactorily, for the benefit of those who did not understand it.

## Mr. Matt Kenner Dies In Hospital Thursday June 14

Mr. Matt Kenner, 82, died Thursday morning, June 14, at a Cameron hospital after a few weeks illness.

Among his survivors are five daughters; Mrs. Ima Turmain of Houston; Mrs. Iva Loper of Holland; Mrs. Irene Gibson and Mrs. Estelle Harrison both of Cameron and Mrs. Eunice Frazier of Temple. Two brothers, Jim Kenner and Tom Kenner, both of Franklin; one sister, Mrs. Nett Wilson of Bremond.

Funeral services and burial were held Friday, June 15, at the Beck Prairie cemetery near Calvert.

## "Bill Bailey" By Wilkerson On Recommended List

"Come Home Bill Bailey," a book about a Milam County boy and his horse, written by Jesse A. Wilkerson, formerly of Cameron has been placed on the recommended list of reading for teacher and pupil by the National Association of Secondary School Principals.

Notification of the listing appeared in a recent issue of the association's Quarterly Bulletin.

## Proof Of Birth A Must Before Jr. Can Go To School

The State Department of Health today asked all parents of children who will enter public schools for the first time in September to make requests "now" for copies of the children's birth records.

Most school systems require a birth certificate to prove a child was six years old on September 1.

"Making early requests for birth certificate to prove the child and us time and trouble," said State Registrar W. D. Carroll.

Carroll, director of the health department's Division of Vital Statistics, says several hundred parents have already requested and received certified copies of birth records for their children.

But tens of thousands of requests from other parents will have to be processed between now and the beginning of the new school term. If too many people delay until August - as they usually do - Carroll and his limited staff will again have to put in hours of night and week-end work without overtime pay.

"The overtime work isn't important," Carroll said. "But it is important when a youngster can't enter school for lack of a birth record."

Last year the department processed more than 60,000 requests during the months of August, September, and October. 260,000 kids will enter the first grade this fall.

"This year we're trying to avoid the fall bottleneck," Carroll said. "We're ready to give immediate service to applications coming in between now and mid-July."

All parents have to do is furnish the child's name and date and place of birth, the mother's maiden name and the name of the father. That information, plus the statutory fee of fifty cents, will buy anyone a copy of their birth certificate - provided the original certificate is on file.

It's a good bet the original will be on hand. Carroll's office keeps track of some ten million birth and death records, some dating back to 1903.

be on hand. Carroll's office keeps track of some ten million birth and death records, some dating back to 1903.

There's just one more thing: if you don't care to write to the State Department of Health in Austin, check with your local registrar or county clerk. Chances are he can supply the record.

In either case, do it soon. Carroll urges.

## Oil Company Discrimination Charged By J. Walter Hammond

The president of the Texas Farm Bureau has asked Texas Senators Johnson and Daniel to investigate the possibility of collusion on the part of oil companies in a recent gasoline price increase to farmers.

In messages to the Senators, J. Walter Hammond said discriminatory gasoline price increase to farmers could eliminate the benefits of the federal gas tax exemption recently passed by Congress. The state farm leader said oil companies have recently hiked the price of gasoline one-half cent per gallon to the farm and ranch trade only. Heretofore, the "tank wagon" delivery price had been the same to all, he said.

"Farmers are of the opinion," Hammond said, "that this increase is a flagrant discrimination against the farm and ranch trade and appears to be a deliberate attempt to take away some of the benefits farmers would re-

With \$533.34 Miss Mabel Jeter, 106 W. 9th Street, an Ada Henderson teacher of Language Arts is planning a trip to Canada soon.

Miss Jeter made an "Object Lesson" for her Language Arts Students. To prove it pays to know your language Miss Jeter entered both the Dallas Morning News and the Houston Post Cashwords contests and in the same week won a share of the prize money offered by both metropolitan newspapers.

\$500 was delivered in person by her paper carrier, Guy Dillon, for the Dallas paper and \$33.34 was sent by mail from the Houston Post. The puzzle was the same in both papers except that different definitions were used and called for different words in one or two instances Miss Jeter said. "It's not the time of month to collect," Miss Jeter objected when Dillon and Mr. Dean of the Dallas Morning News approached her porch one morning last week. And then the surprise came when she was handed a certified check for \$500.

"I plan to go to Canada with my winnings" the school teacher said.

## Immortal "Oklahoma" Produced By New Era Production Method

The newest and most advanced technique in motion picture production and presentation, Todd-

AO was used to present the movie version of Rodgers and Hammerstein's famed stage musical, "Oklahoma!" at Interstate's Tower Theatre in Dallas last Friday, June 15.

The immense screen, coupled with the 70mm - twice standard width - film, combine to provide depth, clarity and sharpness that tends to create the impression among spectators of actually being a part of - rather than just a witness to - the performance of the all-star cast.

Gordon MacRae, Shirley Jones, Rod Steiger, Gene Nelson, Charlotte Greenwood, Gloria Graham, James Whitmore and many other well-known players fill the important roles and sing the musical numbers that are beloved by all America.

The term, Todd-AO, is a combination of the names of Michael Todd, a showman who instigated the development of the system, and American Optical Co., whose staff of more than 100 engineers and scientists perfected it.

The system has a selection of four lenses that covers everything from close-ups to distant scenic shots. These lenses range from 35 48, and 64 to 128 degrees. There also is a new high-fidelity orthophonic system, made up of six sound tracks. And the film is in beautiful color.

Performances of "Oklahoma!" are on Monday at 8:30 p.m., Tuesday through Friday at 2:00 and 8:30 p.m., and at 2:00, 5:15 and 8:30 p.m. on Saturday, Sunday and holidays. All seats are reserved. Address communications to the Tower Theater in Dallas.

## Kitchen Magic

Exciting things are happening in the kitchen today!

Imagine being able to cook delicate custards on top of your gas range without a double boiler, mashed potatoes that stay moist and warm for an hour or more without sticking to the bottom of the pan, cocoa that never forms a scum, batch of golden griddle

## Rev. Claude Ellis And Wife Take Over At Milano

Reverend Claud Ellis, his wife and three children moved to Milano from Buckholts to continue his ministry at the First Baptist Church. He replaces the Reverend Fox who has moved to Brenham to fill a Baptist pulpit there.

Mrs. Ellis has a B.A. degree in music and is music director. cakes, each one perfect, pressure-cooker foods without constantly adjusting the temperature, deep fat frying without smoking, perfect hollandaise sauce as easy as boiling water?

And you needn't even be in the kitchen!

These are just a few of the magic tricks you can perform today. What makes this possible? It's the new younger sister of the dependable oven heat control - the revolutionary new thermostatic top burner heat control which automatically maintains temperature settings, making the cooking of even the most delicate foods absolutely foolproof.

If you haven't seen one, here is how it works:

The control consists of a small sensing element in the center of the burner, which literally "takes the temperature" of the cooking utensil and signals this temperature to the thermostat controlling the burner. When the food in the pan drops below the pre-selected temperature, the sensing element automatically signals the control and the flame increases again. When the food is cooked, the "burner with a brain," cuts the flame low to keep the food warm until ready to serve. Even fried eggs will stay warm and tender for an hour.

For best results, flat-bottomed pans should be used. The part of the pan which rests on the sensitive heat control, which is about one inch in diameter, should be in contact with the entire sensing element.

Any ordinary flat-bottomed utensil becomes an automatic appliance with foods cooked to perfection every time. Best of all, burning, scorching, boiling over, under cooking and over cooking, become a thing of the past. Since this is an automatic control on your gas range, you needn't even be in the kitchen. Just set it and forget it!

The revolutionary new top burner heat control can also be hooked up to the griddle, deep well cooker, or one or more top burner units. Or, if you prefer, you could have it installed on the griddle and a top burner. Many families will probably want it on several

## Mongrelization Is Supreme Court Edict O'Daniel Warns

W. Lee "Pappy" O'Daniel has returned to politics in his Beautiful Texas because "Washington is About Out of Control," he told an audience of about 400 in Cameron Thursday.

Pappy, in his inimitable style, set up the Red River as the boundary which the Supreme Court could stay on the other side of insofar as segregation is concerned. In Texas we are going to keep segregation just as it has been in the past, he said. There is a bond of friendship between the whites and negroes and we are going to follow the edict of God in his infinite wisdom when he made the races and color lines as they are and we are not going to plague the dear unborn children of Texas with becoming a race of "Mongrels." The children are our best natural resource, he averred.

FARMERS, said the self-styled champion of the underdog Pappy, GET ALL YOU CAN OUT OF WASHINGTON WHILE YOU CAN. They are giving billions to the foreigners.

Promising a little bit of the goods which Texas has to offer to the veteran, the old folks, the cagy campaigner, declared for pensions the equal of California, Colorado or any other state and that included both classes, the vet and the aged.

Pappy bases his platform on a tax bill which he was unable to get the last time he tried. Price Daniel was in the Texas Senate and voted against his previous bill he alleged.

Daniel was pointed out as a member of the Veteran's Land Board, as Attorney General, along with the governor. The people, said O'Daniel, are too fair minded to allow one man responsible for the Veteran Land scandals to go to the pen and then elevate the other to high office.

The main issue in the land scandal is "Was anything beneficial done for the veteran?" As your governor the investigation will be carried on under the continue to be pressed by me. You can imagine, said the soft-

burners, because the control makes it possible to use the top of the gas range for such foods as delicate custards, upside down cake, puddings, and so on, which ordinarily have to be cooked in the oven because they require even, constant temperatures. Too, custards, puddings and difficult sauces, such as hollandaise can be cooked without a double boiler.

Vacuum type coffee can be made without removal from the burner or change of adjustment, since the "burner with a brain" automatically reduces the gas flame when the coffee is done.

Yes, indeed, kitchen magic is no trick at all these days.

## Yoe Homemaking Classes Fun For Ladies And Girls

Mary Ellen Richter (daughter of Henry Richter, Temple Highway) and Mrs. P. L. Bergum of the Vogelsang community are finding that making slip covers can be easy and fun. Under the guidance of Mrs. W. T. Whatley, Jr., Mary Ellen is slip covering a platform rocker and Mrs. Bergum a studio couch as a part of the summer homemaking program.

Since patterns are not available for each section of the are using the block method for figuring yardage of material need and for cutting out the covers. For each section of the furniture they took the length and width needed for the cover, allowed one inch for each seam and three inches for tuck-in over spring areas. The amount of material was figured by fitting the length and width of the sectional blocks into the width of the material chosen for the cover.

Other projects in this phase of the group activities are dress making by Janice Bridges and State FHA Degree activities by Marye Horstmann, Gloria Harber Nita Trdy, Colleen Damron, and Mary Ellen Richter.

Under the guidance of Mrs. Albert Edmonds other girls are painting and improving the home-making department and making leather tooled purses and moccasins.

The summer activities at school will continue through June 16 and the following Saturdays, June 23 and 30. Forty other individual projects will be completed by girls in their homes during the summer months under the supervision of Mrs. Whatley and Mrs. Edmonds.

## McClarens Entertain Yoe Grads With Lawn Party

Mr. and Mrs. Max McClaren entertained the graduating seniors from the First Baptist Church of the 1956 Yoe High School at their home in the Country Club Addition Saturday night.

The special event was held on the lawn. After a number of games directed by Mr. McClaren, the group was entertained with a dramatic skit directed by Elizabeth Newton, which was recorded on Miss Newton's new tape recorder she received as a graduation gift from her parents.

The group was served chicken salad and pimento sandwiches, pickles, olives, potato chips, cookies and punch. During the serving of refreshments, they enjoyed listening to the recording of the dramatic skit with all sound effects.

Mr. and Mrs. Jimmie Asher and Mr. and Mrs. Hugh Smith were present for the occasion. Alan Smith, Joyce McLain and Betsy Vogelsang were also honored guests for the entertainment.

Mrs. Smith, Mrs. Asher and Miss Jimmie Rae Colburn assisted in the hospitalities.

## Gonzales Offers Rehabilitation Nursing Experience

The Gonzales Warm Springs Foundation offers a wonderful opportunity for registered nurses in rehabilitation nursing. Miss Geraldine Ballard, director of nurses, said today.

"Rehabilitation nursing is one of the up and coming fields, and any nurse who is interested can obtain an interview by contacting us here at the Foundation," Miss Ballard said. "They do not have to have prior nursing experience."

Miss Ballard, who says she can always use good nurses, tries to maintain a staff of 20 of the women in white.

They are assisted with the care of the patients by a large group of nurses aides. The entire Foundation staff operates on a 40 hour work week basis.

"We get many interesting cases here, and rehabilitate patients with many other types of crippling diseases, as well as those who are victims of polio," the director of nurses added.

The patients are in the nurses care, directly or indirectly, 60 to 70 per-cent of the time, and it gives the nurse an excellent opportunity to assist in the progress of the patient.

The hospital also maintains a full staff of therapists, who of course work under the Foundation's doctors instructions, in the re-education of the paralyzed muscles," Miss Ballard said.

She added that all work was done in modern up to date buildings which are air-conditioned. "Our starting salaries are comparable to other hospitals," the director of nurses said. "And our hospital is fully accredited by the Joint Commission of Accreditation For Hospitals."

WAVES are first enlisted as seaman recruits, USN and are sent to the U.S. Naval Training Center, Bainbridge, Md., for nine weeks of recruit training.

## Draft Board Seeks

### Ten Young Men

The Milam County Draft Board is attempting to locate the following young men and anyone having information regarding their whereabouts, is requested to report same to the Local Board Office: Lion Taylor; J. R. Coldron; Willie C. Clay; Henry Lee Jr.; Robert Lee Holmes; Catarino Montelongo; Charles Douglas Mitchell; Marcelino Lucio; Delma Brook Stone; J. T. Thompson.

## Milam Health Unit Gives May Report

During May, the director of the Milam County Health Unit met with Mr. Phillip Gauss, Field Representative of the Tuberculosis Division of the State Health Department, regarding the schedule of the mobile X-ray unit in Milam County. The unit will begin in Thorndale, Thursday, June 28, and finish in Cameron, Wednesday, July 11. Thorndale will have 1 day of X-ray service, Rockdale 2, Buckholts one-half day, and Cameron 3 for a total of 6½ days as compared to 5½ last year.

Two hundred and sixty-nine polio series and 45 polio booster shots were completed in May. The stimulus of two cases in Rockdale late in April caused the increase.

Seventeen preschool examinations were done in the Buckholts School and the Health Unit Clinics. In addition 63 Brownie and Girl Scouts were given physical examinations so they could attend Day Camp.

Another new case of tuberculosis was reported by a private physician. The patient is under drug therapy until he can be admitted to a tuberculosis hospital.

The following number of cases of communicable diseases were reported during May. Brucellosis 1, measles 52, whooping cough 4, paralytic poliomyelitis 1, salmonellosis (food infection) 1, streptococcal infections 50, tuberculosis 1, gonorrhea 6, influenza 1, mumps 31, and chickenpox 5.

Regular routine inspections of food and other establishments have been made during the month of May. Several school cafeterias have been checked for evidence of the presence of roaches and rodents. The others in the area will be checked and treated, if needed, during the summer.

All approval placards have been delivered to the tourist courts and trailer parks in the County that was considered as complying with the State standards for such places.

The Sanitarian was in conference with Mr. J. E. Poore, U. S. Department of Wild Life Services, College Station in regard to another City and County, wide rodent control program in the near future. This program is jointly sponsored and conducted by the Milam County Farm Bureau, The County Agent's Office and the Local Health Unit.

All nuisance complaints brought to the attention of this office have been promptly investigated.

Visitors for the month:

J. B. Doss, V. D. Investigator, Texas State Department of Health, Austin Texas.  
James E. Poore, Extension Service, A. & M. College, College Station, Texas.

The first three technical training schools for enlisted women in the Navy were: Radioman, Madison, Wis.; Yeaman, Stillwater, Okla., and Storekeeper, Bloomington, Ind.

# GET DEAD SURE CONTROL OF BOLL WEEVILS with dieldrin

Used on thousands of acres of cotton land, dieldrin has proved to be one of the most effective insecticides for control of boll weevils. So effective is dieldrin's killing power, that weevils and other major cotton pests are finished for keeps if they touch, taste, or breathe it.

Long lasting. A single application of powerful dieldrin will knock out boll weevils for many days after application. Even hot, dry areas cannot discourage dieldrin's long-lasting effectiveness.

Easy to use. Dieldrin can be applied as a spray or a dust. Either way, you can be sure of effective, high kill.

Don't put up with boll weevils and other cotton pests this season—use dieldrin! Dieldrin is available under well-known brand names from your insecticide dealer. See him today!

## National League Of Small Fry Start Practice

Practice games opened the '56 season in the National League of the Cameron Summer Recreation Program last week.

The National League is made up of boys from eight years through 13 years and has four organized teams.

The four teams in the National League and their managers are: The DODGERS, managed by Bill Wallace and Bob Nelson. The PHILLIES, handled by Navy Chief Johnson. The CARDINALS and the PIRATES are managed by Niley Smith and Dr. Gus Evans Jr.

In the curtain raiser the Dodgers nosed out the Phillies in a well played game by a score of three to one. For the winning Dodgers it was Sam Macham catching and Merlin Lester the winning pitcher. For the losers it was Johnson catching and Glenn Blake pitching.

In the last game of the night it was the Cardinals who scored eight runs in the first two innings to go ahead of the pirates who collected only three runs in the third inning.

The season opened on Monday, June 18, with the Dodgers playing the Pirates and the Cardinals playing the Phillies.

The fireworks sparked in the four teams in the Texas League, made up of teenagers opened their 1956 softball season.

This league is composed of four good teams who play a sparkling brand of softball for teen age boys.

The four teams and their managers are the Red Birds managed by J. C. Damron, the Cubs are handled by Eddie Langford the Giants are managed by W. K. Leonard and Leroy Thompson handles the Athletics.

In the opening game Monday, June 11, the Cubs defeated the Red Birds in a well played game by a score of 6 to 5.

For the winners it was Luther Burnett catching and Gerald was the winning pitcher. For the losing Redbirds Bob Elliott was the catcher and John Wayne Josey was the winning pitcher. For the losing Giants it was T. Burnett catching and Griffin Barrett the losing pitcher.

In the first games that count on the standing it will be the Redbirds playing the Athletics and Giants playing the Cubs.

Shipping losses can be cut by giving fat hogs a cool, comfortable ride to market. Using sand for bedding and wetting it down before loading will help make such a ride possible, says E. M. Regenbrecht, extension swine specialist.

The earliest man bathed frequently in rivers and streams. Not realizing the hygienic value of a bath he knew only that the bath was refreshing. Modern man knows that frequent bathing is essential to cleanliness and good health.

The early Egyptians cleaned their teeth with crude fagg brushes made by tracing the ends of fags. Even today in some rural areas of the United States people still use fagg brushes to clean their teeth. \* Source: Dr. West's Laboratory Survey.

Man realized the need for foot covering 3,000 years ago. The first shoe craftsmen used plant strands of reed to form the sandals that were to be worn by himself and members of his family. All of us are aware of the need for well fitting shoes today.

Before civilization, men hunted and foraged for food—dining primarily on raw meat, vegetables and fish which were very nutritious. Today we must keep nutrition in mind when shopping for our foods.

## Impressive Rites Plight Troth Of Couple At Rusk

The First Presbyterian Church of Rusk was the scene of the wedding of Miss Eloise McCarroll and John Burns Henderson, Jr., Friday evening, June 8th. She is the daughter of Mr. and Mrs. Lewis McCarroll of Rusk, and his parents are Mr. and Mrs. John Burns Henderson, Sr. of Cameron.

Rev. John Solomon of Cameron and Rev. Shirley C. Guthrie, Jr. officiated at the double ring ceremony.

The sanctuary of the Church was beautifully decorated with four floor baskets of blue hydrangeas, tied with white satin ribbons. Four tapered candelabras held cathedral white candles. Candles were also placed along the choir rail. The archway was entwined with English Ivy.

Family pews were marked with blue hydrangea and white satin bows.

Mrs. Jack Nichols, organist, presented the prenuptial music. She also accompanied Miss Sue Madden, who sang "I Love You Truly," "Because," and following the exchange of vows, she sang "The Lord's Prayer," as the couple knelt at the altar. Mr. Robert von Doenhoff rendered "Oh Promise Me" on the cello, accompanied by Mrs. Nichols at the organ.

Given in marriage by her father, the bride chose a gown of candlelight satin, fashioned with a fitted, elongated bodice, and a lavalier neckline encrusted with pearls. The long sleeves tapered to points at the wrists. A cloche of lace held her veil of imported, handmade heirloom Brussels lace. The bride carried a bouquet made of white orchids, white carnations and stephanotis. Her only jewelry was a strand of pearls, a gift from the groom. She carried a handkerchief, left her by her paternal grandfather, to be carried at her wedding, and wore two gold pieces in her shoes, a tradition with the groom's family.

Her attendants were identically gowned in tile blue crystalline, designed with elongated bodices and bateau necklines. They wore deep blue velvet headdresses, and carried teardrop bouquets of pink carnations and pink moline.

Maid of honor was Miss Ann McCarroll, sister of the bride, and bridesmaids were Miss Betsy Ebaugh of Jacksonville, Miss Jane Henderson of Cameron, sister of the groom, Miss Charlotte Francis of Austin, and Miss Sue Heidelberg of Jacksonville.

Mr. John Burns Henderson, Sr. served as his son's best man. Groomsmen were Lewis McCarroll, Jr., brother of the bride, Devereux Weeks of Austin, Jimmy Albright of Amarillo, and Bob Hughes of Sherman. Ushers were Walter Lefevre, Jr., of Eden and John Cecil Culpepper, Jr., of College Station. Candlelighters were James Swink of Rusk and Keyes Curry of Midland.

For her daughter's wedding Mrs. McCarroll chose a gown of pastel green chiffon. The groom's mother, Mrs. Henderson, selected a blue chiffon gown, embroidered in iridescent sequins and lace. They both wore white orchids.

Approximately 150 out of town guests registered at the reception which immediately followed the wedding in Fellowship Hall of the Church.

The bridal table was covered in white satin, draped around the sides, and tied with small bouquets of white stock and white satin ribbon. The traditional three tiered white wedding cake was decorated with white wedding bells, tied with pink and blue satin ribbon. From the cake, which centered a mirror reflector, were garlands of white stock extending the width of the table. On either side were candelabra, tied with small bouquets of white stock and white satin ribbon.

Assisting with the reception were Mesdames Adon Duncan, Gerald Chapman, E. R. Gregg, Walter Meyers, Doyle Bagley, Metz Heald, and Billie Edwards.

Mrs. Henderson is a graduate of Rusk High School and attended the University of Texas where she was a member of Zeta Tau Alpha Sorority.

The groom graduated from Cameron High School and the University of Texas, where he was a law student. He was a member of Silver Spurs and Phi

Kappa Psi.

For her wedding trip, Mrs. Henderson chose a navy dress with a white orchid corsage. Their trip will take them through New Orleans and other points of interest in the Southern States.

## Wing-Crook Vows Exchanged June 9 At Burlington

Miss Shirley Wied and Homer Bruce Crook exchanged wedding vows Saturday, June 9 at 9:30 a.m. in the St. Michael's Catholic Church at Burlington. The Rev. Michael O'Regan officiated at the double ring ceremony.

Green fernery and white gladioli formed the background for the service.

Mrs. Robert Matthews of Cameron, soloist, was accompanied by Mrs. Alvin Schneider, great-aunt of the bride from Cyclone at the organ. The selections played were "Ave Maria" and "Panis Angelicus".

The bride, given in marriage by her father, wore an original model gown fashioned of hand-clipped rosepoint lace and tulle over satin. The lace bodice was finished with dainty scallops to form the sweetheart neckline on a yoke of illusion with tiny lace collar. Long sleeves tapered to points at the wrists. The bouffant skirt of tulle was lavishly trimmed with applique lace to fall gracefully into the chapel train. Her veil of French illusion was held in place by a pillbox type headpiece of lace gleaming with sequins and pearls. A bouquet of

The engagement of Gail Lee Muston, daughter of M-Sgt. and Mrs. Thomas W. Muston of McNair Village, Fort Hood, Texas to Wallace B. Plentl, son of Mr. and Mrs. Homer O. Plentl, 1002 Greda St., Killeen and grandson of Mrs. G. A. Plentl of 506 East Third St., Cameron, Texas has been announced by her parents. Miss Muston graduated from Killeen High School this Spring and will attend the University of Texas this fall. Mr. Plentl graduated from Killeen High school in 1954. He is presently enrolled in Arlington State College and has attended Texas A & M College. The date of the wedding will be announced at a later date.

Mrs. J. C. Hargrove of Rosebud seated at the brides book.

For traveling the bride changed into a pink dress with white accessories. She wore the orchid from her bouquet.

A graduate of Rosebud High School, Mrs. Crook is the daughter of Mr. and Mrs. Robert Wied of Burlington. She was formerly employed in Cameron.

Mr. Crook, son of Mr. and Mrs. Homer Crook of Cameron, graduated from Yoe High. He is employed at the Dow Chemical Plant in Freeport.

After a short honeymoon the couple made their home in Freeport.

## Joyce Glaser Becomes Bride Of Willie Ray Hoff

Miss Joyce Glaser became the bride of Willie Ray Hoff at Terry's Chapel in Rosebud, Saturday, June 9, at 2:00 p.m. The Rev. W. A. Mueller performed the double ring ceremony at an altar enhanced with baskets of white gladioli and lighted candelabra. Mrs. W. A. Mueller, accompanied at the organ by Miss Carolyn Stock, sang the wedding music, "Till the End of Time" and "I Love You Truly." Mrs. Mueller played the processional and recessional music.

The bride, given in marriage by her father, wore a formal wedding gown of tulle net over satin, with a lace bodice buttoned down the back with self-covered buttons and trimmed with a scalloped yoke and a Peter Pan collar, and petal point sleeves. Her fingertip veil of French illusion was held in place by a pearl crown. She carried a bouquet of white carnations trimmed with satin streamers and white tulle. She wore a single string of pearls and pearl earrings.

Mrs. Willie Ray Boeker was matron of honor. She wore a ballerina length dress of blue net over taffeta, with a lace bolero. Blue flowers formed her head band, and she carried a bouquet of blue chrysanthemums. The bridesmaids—Mrs. Franklin Glaser, Mrs. Edwin Marek, and Miss Willie Mae Sitz—wore similar dresses in rose, lavender, and yellow, and carried bouquets of flowers to match the dresses.

Best man was Willie Ray Boeker, and groomsmen were Eugene Hoff, brother of the groom, Edwin Marek, and Franklin Glaser, brother of the bride. Ushers were Willie Ray Boeker and Otto Lee Hoff, brother of the groom.

The bride, daughter of Mr. and Mrs. Robert Glaser of Cameron is a 1956 graduate of Yoe High. The groom, son of Mr. and Mrs. Ed Hoff of Burlington attended Rosebud High school.

After a short wedding trip, the couple made their home near Rosebud where the groom farms.

## Heart O'Texas Fair President Is Real Farmer-Rancher

The Heart O'Texas Fair is one of the few major exhibitions of the United States with an active farmer-rancher as president.

R. A. Gorham has devoted his entire life to agriculture and livestock raising. As a small boy, he came to McLennan County from his native Georgia and his father acquired a farm in the Bosqueville Community, northwest of Waco. The father, John Gorham, 92 years of age, makes his home in Waco. Three generations are represented in the Northwest Waco Rotary Club, the father, being an honorary member; the president of the fair and his son, R. lumberman, being active members.

In 1917, R. A. Gorham built a home on his farm in the Bosqueville area and he has added to the house and to the holdings in the intervening years. He and his son, Giles (whose friends call him "Me" from his middle name) have a total of 1,400 acres, operated as a joint enterprise. The father has charge of the crops (cotton and small grain) and "Me" has charge of the cattle.

At this time, there are over 500 Herefords on the place. Horseback riding is a favorite pastime with Gorham and he has two saddle horses.

Mrs. Gorham is the former Mary Belle Pool, a Baylor graduate. Her father was an instructor in Baylor for 50 years.

Ever since the Heart O' Texas Fair was established four years ago, Gorham has been a director and last year he was vice president.

"The fair is making a real contribution to agriculture and livestock raising and I count it a privilege to help the fair in anyway I can," he declared.

**LITTLE RIVER PHILOSOPHER SEES NO POINT IN REST OF THE WORLD WAITING FOR ROOM TO REACH HIM.**

Editor's note: The Little River Philosopher on his Johnson grass farm on the Little River is talking about, if we understand his letter, international prosperity, although we may be wrong.

Dear editor:

One thing I don't understand about foreign aid - and understand, I'm in favor of it, I'm in favor of both foreign and domestic aid - is the argument that if we don't help other countries to get and stay

prosperous, we can't stay that way ourselves.

In fact I was reading just last night in a copy of a newspaper that a neighbor had wrapped some vegetables in and left on our doorstep as an example of domestic aid, where a foreign aid expert said in Washington that "we can not have world-wide prosperity as long as one segment of the world is still not prosperous."

I doubt this. Take me and the rest of the United States. As I understand it, the U.S. is at its most prosperous peak in history, people are making more money, spending more, borrowing more, owing more, than ever before, in fact, you might say prosperity is nationwide, but you ought to see the segment of it bounded by the four sides of my farm out here. My situation seems to defy the argument you can't have nationwide prosperity as long as one segment of it hasn't got it, and I don't see why you couldn't stretch

it to take in a world-wide situation too.

In fact, I have an idea if we're waiting for every single nation, and every single individual in every nation, to be prosperous before anybody can relax and enjoy prosperity, we've got a long and unrelaxed wait ahead of us.

In fact, if there's anybody in this country overflowing with prosperity and waiting for me to reach that status before he cuts loose and enjoys his, my advise is to go ahead and cut loose, don't wait on me. I've got a different system out here. It's ridden out not only prosperous times but depressions too; you can hardly tell the difference.

My advice to anybody with prosperity on his hands and bashful about what to do with it, is to forget about me and use what he's got. I have no objection on me being prosperous, but I know what it takes, it takes work, and that's a pretty high price to pay.

Yours faithfully,  
J. A.

## Texas Selective Services Balances Books In May

A total of 2,741 Texans entered the armed forces in May, and 2,849 were separated during the same time.

This was revealed Friday in a report made by state Selective Service headquarters to the national Selective Service headquarters in Washington.

Of the 2,741 individuals entering the uniformed services from Texas in May, only 554 were drafted, the remainder entering by enlistment or other voluntary means.

"Actually, many of the men inducted were volunteers," Colonel Morris S. Schwartz state Selective Service director, said.

He explained that a provision of the Selective Service regulations allows men from the age of 17 to 26 to volunteer for induction through draft boards. Seventeen year-olds must have written consent from parents or guardians.

State Selective Service sent 988 men to armed forces examining stations during May. A total of 601 was found acceptable for service, the remaining 387 being rejected, a rejection rate of 39 per cent.

Four physicians were examined and found acceptable for armed forces service during the month.

No physicians or dentists were ordered for service during May from Texas.

## \$1200 Annually Allowed People On Social Security

Retirement means different things to different people. Maybe it's a chance to do more work for the lodge, church or civic club. Possibly it is an opportunity to travel, or to relax and catch up with all the good reading you have passed by. For many, retirement means to slow one's activities or even shift to another job, or develop a hobby into a commercial success.

For this latter group, 90 per cent of whom are probably receiving social security monthly benefit checks, retirement is also defined by the social security law. Through the law, Congress says that any person eligible to receive social security payments, may earn \$1200 a year or less and still receive all of his benefit checks. If a social security beneficiary works every month in the year and earns more than \$1200 in the year, ten e loses one cack for every \$80 or fraction of \$80 earned over the \$1200. For those who consider themselves retired, but do participate in seasonal employment or self-employment, the social security law also says an individual may get social security benefits for any month in which he neither renders substantial services in business nor earns over \$80 in employment.

Retirement does mean many things. If you consider yourself retired, and you are receiving monthly social security checks, but have reason to believe that your earnings will exceed \$1200 this year it will be well to get in touch with your social security office. If your earnings for 1955 total more than this amount you will be required to file a report by March 15, 1957.

## Spanish Peanut To Korea As Gift Of Texas C R O P

The Southwestern Spanish Peanut is going into relief work.

Texas CROP Headquarters in Austin have announced that 50,000 pounds of shelled peanuts have been purchased from the Commodity Stabilization Service, USDA, for export to Korea.

The 25 tons of peanuts are now being shelled in Fredericksburg, Texas, and will be transported by truck to Houston. The peanuts are scheduled to sail for Korea on June 20 from Houston aboard the S.S. AIMERIA. They will be distributed on a person-to-person basis through various Korean cure agencies.

John Gillies, Texas CROP Director, points out that this first purchase of Southwestern Spanish Peanuts represents a desire on the part of his agency to export as many peanuts as possible, particularly in view of their high nutritive value.

## TRUE STORIES of Famous Crimes

as told by JOHN LARKIN who portrays LT DET MIKE KARR in the CBS-TV drama "THE EDGE OF NIGHT"

### THE ORIGINAL JACK THE RIPPER

Every few days another woman was found similarly slain in the same busy area. Londoners walked with fear by day. At night, the streets were deserted. Those who had to walk there were terrified.

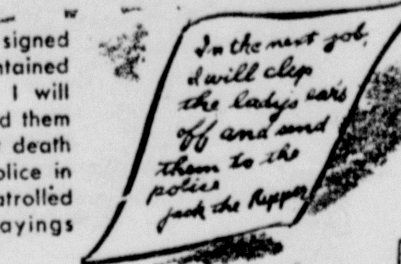

Notes were received by police signed "Jack the Ripper". They contained threats. One said "Next time I will clip off the lady's ears and send them to you." In all, 14 women met death within a few weeks, despite police in disguises who continuously patrolled the area. Suddenly the slayings stopped.

To this day many mysteries remain. Why were these women—and only women—killed? How did the murderer "get away with it" in the teeming streets of London? Why did he cut out the organs of his victims? Biggest question: In 1926, a dying medical man in Buenos Aires "confessed" these murders. Was he "Jack the Ripper"?

Strangely, every body was dissected with surgical skill. Organs were cut out with the precision of a surgeon. It was believed to be the work of a mad medical student.

## Yoe FHA Girls Attend Area 8 Training Meet

Six girls from the Yoe Future Homemakers of America attended the annual FHA Leadership Training Conference of Area VIII which was held on June 6, 7, 8, 1956. It was held in the Student Memorial Center of A & M College at College Station, Texas. The purpose of the conference was to give leadership training in "Parliamentary Procedure" to State, Area, and District officers in order to develop leaders among chapter members.

Registration was in the Serpentine Lounge on Wednesday, June 6. Rita Reid, Mary Ellen Richter, and Gloria registered from the Yoe Chapter. Immediately following registration the girls met for a General Assembly in the Ball Room. Susan Wilson (President of Area 8) called the meeting to order and introduced the speakers for the evening. Dr. Les Richardson (Superintendent of A & M Consolidated) delivered a warm welcome. E. V. Walton (Head of the Agriculture Education Department of A & M College) gave the inspirational address. J. R. Jackson (Assistant Professor of the Agriculture Department of A & M College) organized the work groups and later gave a lecture on Parliamentary Procedure.

These work groups worked together for the next two days. Thursday the work groups were in action. The area and district meetings were planned. The District II meeting will be held at Rockdale, December 7, 8, 1956.

Friday morning there was an evaluation of the conference by Sue Cunningham of Hillsboro. Rita Reid of Cameron delivered some announcements and expressed appreciation to those who helped make the conference a success. All candidates for State Degrees and their sponsors met for a short meeting.

Rita Reid and Gloria Marcer spent the nights in the dormitory and ate in the cafeteria on the college campus. The other girls from Cameron that attended the conference were Mary Ellen Richter, Colleen Damron, Anita Tryd, and Mary Horstmann. Mrs. Imogene Whaley and Mrs. Patsy Edmonds, Homemaking Advisors were in charge of the local group.

## CO. COURT -

have their road straightened, widened and topped.

Joe Hanover, resident engineer was invited to the meeting by Judge Charlie Smith and was called upon to explain the relation between the county, the state and the citizens, in the obtaining of right of way and construction.

"The individual is not considered by the state, the engineer explained, if one is hit harder than the other it is strictly because of the engineering aspect."

The Elm Creek crossing will have to be relocated Hanover said.

The road is actually heavily populated and bears a good amount of traffic Hanover admitted.

The bridge over the Elm would be \$75 to 400 feet designed on the basis of 25 year flood frequency. "We can't afford to bridge for all-time high water." Bridges now cost \$200 per foot. Hanover further stressed that hardly a road in Milam County can be built without crossing a creek.

The Commissioners do not enter into the placing of the road only on rare occasions the engineer stressed. The state tells the county where they want the road he said.

Judge Charlie Smith again took over the discussion and made a quick recapitulation of the outstanding road needs in the county which included the highway 36, Cameron to Milano; 5 miles east of Milano, Completion of 77 to Lee County etc. The Judge admitted that the Yarrington via Marak road accommodated the highest valued land in the county.

Those backing up E. A. Perrin as spokesman for the citizens were: Jack Prescott, Lincoln Mondrik, Edwin Adams, J. J. Janicek, V. E. Lesikar, J. F. Bartek, Coleman Duncum, Ralph Michalka, Richard Jistel, John Marak Jr., John Gurecky, John Slovak, Joe Schreiber, John Tomack, Alfonso J. Tomek, F. P. Mikulec Jr., James M. Wiggs, Jess Brock, B. G. Rice, Frank Tomek Sr., Roy Griffith, A. K. Gurecky, August Hubnik, Anton Anderle, Milton Schiller, Barbee Barrett, F. H. Stanislaw, Joe F. Hollas, N. D. Fuller, Robert Weems, B. J. Matocha, J. L. Marak, Louis McKee, O. A. White,

Fred Lazek, A. W. McCullin, Drayton McLane and Charles J. Matula.

## SCHOOL BOARD -

each month instead of once. It was the thought of the mover of the motion, Dr. David Shapiro, that two meetings which might conclude before midnight would be better than one a month which lasted far beyond that hour. Next meeting of the board then will be on June 28 and each second and fourth Thursday thereafter.

Teachers elected at O. J. Thomas for the next year are: Lydia C. Palmer Sewell, Willie A. Whiteside, Courtney Nelson, Lula B. Montgomery, Willie Lee Calhoun, Willie J. Anderson, Edward Lee Aycox, Lucious Randall Nathaniel Grace, Ruth Anderson and Lillian Johnson Williams.

Due for conference with Sadberry and Superintendent W. T. Hanes prior to any decision on their re-election is Emelia Greer, Julia Hodge, D. S. Poole and Hazel Burkes.

## LOTS DRAWN -

Ross Carlton, Tom Moore, Will Wilson and Curtis E. Hill. For Judge, Court of Criminal Appeals, Jesse Owens and W. A. Morrison. For Associate Justice Supreme Court (Place 3): Robert G. Hughes and James R. Norvell. For State Treasurer: Warren G. Harding and Jesse James. For Commissioner of General Land Office: Earl Rudder and Ned Price. For Commissioner of Agriculture: John C. White, Jim Barber and Bill Jones. For Congressman-At-Large: Bill Elkins and Martin Dies.

In the county races, Robert C. Bob Nelson drew No. 1 spot in County Attorney race, W. Prescott and Edgar Hoppe second and third respectively. In the county chairman race, Max McClaren was drawn first with J. C. Andres second. W. C. Bill Black took the first spot in the 56th. District Representative race with Herman Yesak second.

## HALEY -

and negro races in the public schools of Texas and all other places. He believes continued segregation is best for both races.

"Texans and citizens throughout the entire south are witnessing complete destruction of their liberties", Haley said. "I believe in returning Government to the people and I am the only candidate in the governor's race pledged to use the full authority of Texas government to halt the stampede toward dictatorship."

"If Washington can fix the price of gas at the wellhead, in keeping with the Supreme Court decision," Haley continued, "it can fix the price of cows, corn, cotton and human labor."

"If the Government can control our public schools and force mixing of the white and negro races, it can control every other phase of human life."

Haley cited the Federal Government's attempt to socialize medicine and destroy the state's splendid private medical profession. He said he believes Texans are becoming increasingly aware of the "Federal Government's despotic tyranny upon human rights."

Haley, a native of Belton, Texas, is a grandson of Confederate veterans; a great grandson of James Evetts, veteran of the Battle of San Jacinto. He ranches on the Pecos and Canadian rivers in Texas. He has won wide distinction as a historian and is the author of 10 nationally recognized books of history and biography, including "The XIT Ranch of Texas", and "Charles Goodnight Cowman and Plainsman."

A graduate of the University of Texas, Haley later served several years as a member of the University faculty. He then became General Manager of some of the largest ranch properties of the southwest and is a member of the Board of Directors of Texas Technological College. He is also a member of the Executive Committee and a Trustee of the National Cowboy Hall of Fame.

## K of C Scouts At Camp Tahuaya Under F. Matula

Eighteen Boy Scouts all members of the Cameron Knights of Columbus Troop and Post, checked in at Camp Tahuaya today for a week-long adventure with their adult leaders Felix Matula, Jr., and Father George Duda.

CAMERON LEADING NEWSPAPER SINCE 1860

While at camp the troop will occupy the Arrowhead campsite. Director John Dagen, Mexia, reminded parents of Scouts that Wednesday evening is open for visitors and encourage them to visit the camp and see the activities that their sons are taking part in. Demonstrations will be held starting at 6:30 p.m. in scoutcraft, swimming, boating and canoeing, archery and skeet shooting. The demonstrations will last until 7:30 and at 8:00 o'clock

a vesper service will be held for scouts and visitors in the 500-seat amphitheatre. Meals cannot be served visitors in the camp dining lodge but Wednesday evening visitors are welcome to bring picnic suppers to be eaten at the camp, Mr. Dagen added.

Scouts attending Camp Tahuaya this week with Troop 52 are: James Hollas, James Anderle, Albert Horelica, Paul Michalka, Charlie Krenck, Roy Wholeb, Mike Mukula, Ronald Litzman,

## Precincts Convene On Election Day

Democratic Executive Committee announced this week the time,

Edward Reiser, and John Krenck. Explorers here this week with Post 55 include Ray Tepera, Albert Hoelscher, Alton Moraw, Martin Mitchan, Joe Humplik, John Tepera, Charles Matula, and Charles Hollas.

and locations of the precinct conventions scheduled on Saturday, July 28, (Election day).

Conventions in both of the boxes in Cameron and in Rockdale will be held at 7:30 p.m. All other precincts will hold their conventions at 2:30 p.m. on that date.

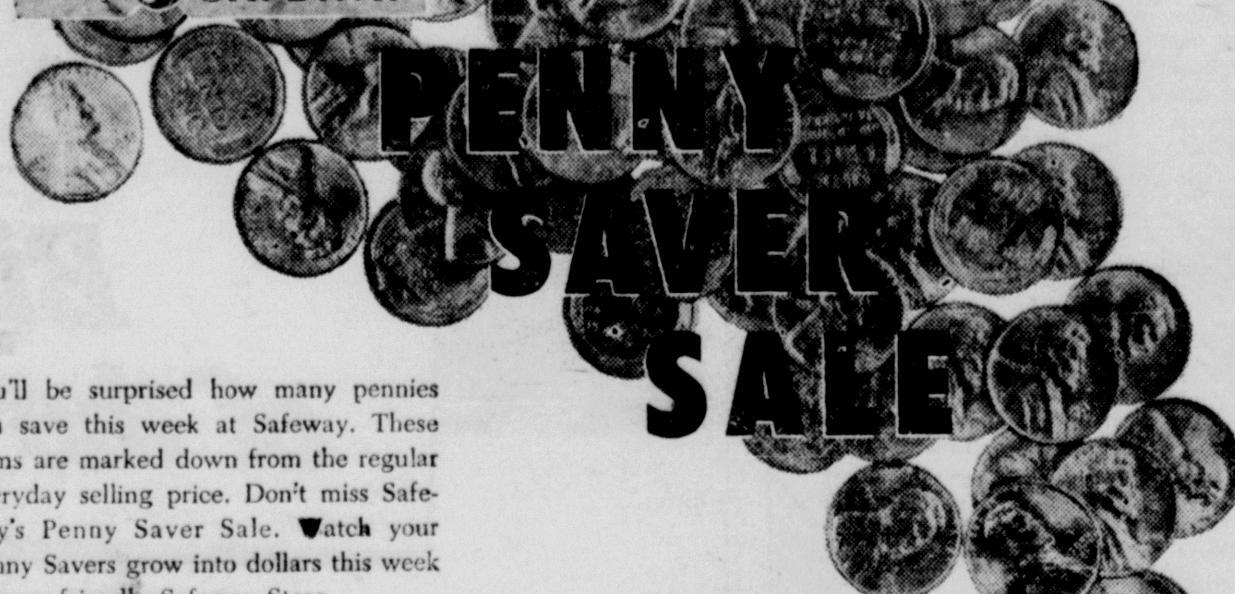

The committeemen of each precinct are responsible for holding the conventions. The committee urges that people turn out in good number and attend your precinct as this precinct convention is

THURSDAY, JUNE 21, 1956

known as the governor's precinct convention and members of the State Democratic Executive Committee will be elected as a result from these conventions; these members of the state executive committee will serve for two years. These precinct conventions are just as important to attend as the one in May, in reality are more important.
